## 2. Eligibility

You represent and warrant that you: - Are at least the minimum legal age required in your jurisdiction - Have the legal capacity to enter into a binding agreement - Are not prohibited from using the Platform under applicable law

## 3. Platform Role and Scope

Gamers.bet provides **competition, wallet, and settlement infrastructure** that enables skill-based, real-money competitive gameplay within third-party games. Gamers.bet does **not** operate, control, or modify gameplay mechanics, scoring logic, or player performance within any game.

Game developers are solely responsible for game design, gameplay rules, scoring, and determining match results. Gamers.bet relies on game-submitted results to perform settlement.

## 4. Skill-Based Competition Only

All competitions facilitated through the Platform are intended to be **skill-based**. Outcomes are determined by player performance and not by chance. Gamers.bet does not offer or facilitate games of chance, lotteries, or traditional gambling services.

Gamers.bet reserves the right to restrict, suspend, or disable any competition format that it reasonably believes may not meet applicable skill-based requirements.

## 5. Jurisdictional Availability and Location Controls

The Platform is offered only in jurisdictions where skill-based real-money competition is permitted by law and where Gamers.bet has elected to make the Platform available. Availability may vary by jurisdiction and may change over time.

Users represent and warrant that they are physically located in, and accessing the Platform from, a jurisdiction in which use of the Platform is lawful at the time of access.

Gamers.bet may use location-based technologies, including IP analysis, device signals, and geo-fencing, to restrict access to the Platform in prohibited jurisdictions. Users may be required to disclose their location as part of identity verification and ongoing compliance checks.

Gamers.bet reserves the right to suspend, restrict, or terminate access to the Platform if a user is determined to be accessing the Platform from a restricted or prohibited jurisdiction.

## 6. Accounts, Wallets, and Funding

Users may be required to create an account and fund a wallet prior to participating in any competition.

- Funds must be deposited before participation
- No payment processing occurs at the time a user joins an event
- Users are responsible for maintaining the security of their credentials

## 7. Entry Fees, Prize Pools, and Settlement

- **100% of the prize pool is paid out** upon settlement of a completed event
- Gamers.bet performs settlement based on verified results submitted by the game
- Once an event is settled, all payouts are final, except where required by law

Settlement may occur via blockchain or other ledger-based systems and may be irreversible.

## 8. Fees and Platform Rake

Gamers.bet may collect a disclosed platform fee (“rake”) in connection with competitions. Any applicable fees are presented to users prior to participation and may vary by game, format, or region.

## 9. Compliance, KYC, and AML

Gamers.bet reserves the right to: - Suspend or restrict access pending verification - Refuse service where required for legal or compliance reasons - Cooperate with regulators, payment providers, and law enforcement

## 10. Reliance on Game Data, Fraud, and Disputes

### 10.1 Reliance on Game-Submitted Data

Gamers.bet performs settlement and payout calculations based on match results and event data securely submitted by integrated games through server-side systems. Gamers.bet does not independently determine gameplay outcomes and relies on the accuracy, integrity, and completeness of data provided by the game.

### 10.2 No Guarantee of Game Data Accuracy

Gamers.bet makes no representation or warranty regarding the accuracy of game-submitted results. Errors, bugs, exploits, or misconfigurations within a game may impact outcomes. Users acknowledge and accept this risk as inherent to participation in third-party games.

### 10.3 Disputes and Settlement Finality

All settlements are final once completed, except where required by law. Gamers.bet does not adjudicate gameplay disputes, scoring disputes, or player performance disputes, which must be addressed directly with the game developer or publisher.

### 10.4 Fraud, Manipulation, and Abuse

Gamers.bet reserves the right to investigate suspected fraud, collusion, manipulation, or abuse, including but not limited to false result submission, exploitation of bugs, or coordinated player behavior. Gamers.bet may suspend accounts, withhold settlement pending investigation where legally permitted, and cooperate with game developers, payment providers, and law enforcement.

### 10.5 Remedies

If Gamers.bet reasonably determines that settlement was impacted by fraud or material data integrity issues, Gamers.bet may take remedial actions consistent with applicable law, including account suspension, reversal where legally required, or other corrective measures.

Each competition or event settles independently using a dedicated event wallet. Suspected fraud or integrity issues affecting a specific event do not impact other events, wallets, or platform balances.

## 11. Prohibited Conduct

Users may not: - Engage in fraud, collusion, or manipulation of results - Exploit bugs or attempt to circumvent safeguards - Use automation, bots, or unauthorized scripts - Interfere with platform operations or settlement logic - Use the Platform for unlawful purposes

## 11. Suspension and Termination

Gamers.bet may suspend or terminate accounts for violations of these Terms, suspected fraud, compliance requirements, or legal obligations. Termination may result in forfeiture of access to the Platform.

## 12. Disclaimers

THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE,” WITHOUT WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED.

## 13. Limitation of Liability

To the maximum extent permitted by law, Gamers.bet shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from use of the Platform.

## 14. Governing Law and Dispute Resolution

These Terms are governed by the laws of the State of Delaware, USA, without regard to conflict of law principles. Any disputes shall be resolved through binding arbitration, except where prohibited by law.

## 15. Changes to Terms
